

User Manual for AMS - ATARI Zone (IV) Patna

Introduction

The Access Management System (AMS) is a comprehensive web-based solution designed specifically for ATARI Patna to manage and regulate access permissions efficiently. By integrating robust security measures and intuitive workflows, AMS simplifies access management, enhances operational security, and improves the user experience. This user manual provides an in-depth overview of AMS, helping users navigate its features and understand its value to the organization.

AMS is built to address a critical need within ATARI Patna: the secure and organized handling of access permissions. With increasing dependency on digital tools and sensitive data, managing access to resources has become essential. AMS centralizes access controls, streamlines workflows, and reduces the possibility of errors, all while enhancing overall security. It offers a reliable and structured approach to ensuring that resources are accessible only to authorized personnel.

Purpose

The purpose of AMS is to create a secure environment where permissions are systematically managed, and sensitive data remains protected. The system is designed to automate and simplify the traditionally complex process of access management.

- *The rest of the page has been intentionally left blank* -

Dashboard

The Dashboard in the Access Management System (AMS) serves as the central hub, providing users with a clear and concise overview of system activities, key metrics, and actionable insights. Designed to offer both functionality and ease of use, the dashboard ensures that users can quickly access the most relevant information and take informed actions.

Here on this page “Download Report” button would provide the option to Admin Level User to download the ATARI Level Report.

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the Dashboard would be filtered out accordingly as per the year selected.

Form Management

About Kvk

View Kvk's

The screenshot shows the 'View KVK Details' page in the Atari AMS system. The sidebar menu on the left includes 'Form Management' with a sub-menu 'About KVK' containing 'View KVKs'. The main content area features a 'Download Report' button and a table with one entry. The table has columns for S.No., Zone Name, State Name, Organization Name, District Name, KVK Name, Mobile, Email, and Address. The entry for KVK Patna is shown with details for ICAR-ATARI-Patna, Bihar, and Bhagalpur. A search bar and pagination controls are also present.

S.No.	Zone Name	State Name	Organization Name	District Name	KVK Name	Mobile	Email	Address
1	ICAR-ATARI-Patna	Bihar	Bihar Agricultural University, Sabour	Bhagalpur	KVK Patna	9931312288	patnakvk@gmail.com	Krishi V

Showing 1 to 1 of 1 entries

Previous 1 Next

2024 © Atari AMS.

On View KVK's page a table will show up with the details of that particular KVK.

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of the KVK.

Bank Account Details

The screenshot displays the 'View Bank Account Details' interface. On the left is a green sidebar with the ATARI AMS logo and a search menu. The main content area has a header with a hamburger menu, a KVK logo, and a '+ Add Details' button. Below the header, there's a filter dropdown set to 'All', a 'Filter' button, and a 'Download Report' button. A search bar is also present. The table below has columns: S.No., KVK, Account Type, Account Name, Bank Name, Location, Account Number, and Action. It contains one row for 'KVK Patna' with account number '234567654565'. A 'Showing 1 to 1 of 1 entries' message and pagination controls are at the bottom of the table. The footer shows '2024 © Atari AMS.'

S.No.	KVK	Account Type	Account Name	Bank Name	Location	Account Number	Action
1	KVK Patna	Kvk	PATNA MAIN BANK AC	BANK OF INDIA	PATNA	234567654565	[Edit]

On Clicking 'Bank Account Details', the admin will be able to view a table with the details of the Bank Accounts added by the admin

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the Dashboard would filtered out accordingly as per the year selected.

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of the KVK's Bank Accounts.

On Clicking 'Add Details' button, the admin will be able to enter the details, On submitting same will be reflected in the table

The screenshot displays the 'Create Bank Account Details' form. The sidebar and header are identical to the previous screenshot. The form has five input fields: 'Account type*' (a dropdown menu), 'Account Name*', 'Bank Name*', 'Location*', and 'Account Number*'. A 'Save' button is at the bottom right of the form area, and a 'Back' button is in the top right corner.

On Clicking 'Extension Activities', the admin will be able to view a table with the details of Extension Activities added by the admin

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of Extension Activities.

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the page would be filtered out accordingly as per the year selected.

Other Extension Activities

The screenshot shows the ATARI AMS web application interface. The sidebar menu on the left includes options like 'Dashboard', 'Form Management', 'About KVK', 'Achievements', 'Technical Achievement Summary', 'OFT', 'FLD', 'Trainings', 'Extension Activities', and 'Other Extension activities'. The main content area is titled 'Other Extension Activity' and features a 'Reporting Year' dropdown set to '2023', a 'Search' button, and a 'Download Report' button. Below this is a table with 5 entries, each showing a serial number, KVK name (KVK Patna), nature of extension activity, number of activities, and an action button. The table data is as follows:

S.No.	Kvk Name	Nature of Extension Activity	No. of activities	Action
1	KVK Patna	Extension Literature	5	...
2	KVK Patna	Popular Articles Published	5	...
3	KVK Patna	Tv Talks	3	...
4	KVK Patna	Radio Talks	6	...
5	KVK Patna	Newspaper Coverage	159	...

Below the table, it says 'Showing 1 to 5 of 5 entries'. At the bottom right of the table area, there are 'Previous', '1', and 'Next' navigation buttons.

On Clicking 'Other Extension Activities', the admin will be able to view a table with the details of Other Extension Activities added by the admin

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of Other Extension Activities.

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the page would be filtered out accordingly as per the year selected.

Technology Week Celebration

The screenshot displays the 'View Technology Week Celebration' interface. On the left is a green sidebar menu with options like 'Dashboard', 'Form Management', 'About KVK', 'Achievements', 'Technical Achievement Summary', 'OFT', 'FLD', 'Trainings', and 'Extension Activities'. The main content area has a header with the ATARI AMS logo and a KVK logo. Below the header, there's a 'Reporting Year' dropdown set to '2023', a 'Search' button, and a 'Download Report' button. A table lists the celebration details:

S.No.	KVK	Type of activities	No. of activities	Related crop/livestock technology	Number of participants	Action
1	KVK Patna	10	80	Pesticides	16	Add

Below the table, it says 'Showing 1 to 1 of 1 entries'. At the bottom right of the table area are 'Previous', '1', and 'Next' navigation links.

On Clicking 'Technology Week Celebration', the admin will be able to view a table with the details of Technology Week Celebration added by the admin

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of Technology Week Celebration.

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the page would be filtered out accordingly as per the year selected.

On Clicking 'Add Details' button, the admin will be able to enter the details, on submitting same will be reflected in the table

Details of Biofortified crops used in Nutri-Smart village

The screenshot displays the ATARI AMS web application interface. On the left is a green sidebar menu with options like 'Dashboard', 'Form Management', 'About KVK', 'Achievements', 'OFT', 'FLD', 'Trainings', 'Extension Activities', 'Production and supply of Technological products', 'Soil and Water Testing', 'Projects', and 'CFLD'. The main content area is titled 'View Details of Bio-fortified crops used in Nutri-Smart village'. It features a 'Reporting Year' dropdown set to '2024', a 'Search' button, and three buttons for downloading reports: 'Download NARI Pdf Report', 'Download Excel Report', and 'Download Excel Result Report'. Below these is a table with columns: 'S.No.', 'Kvk Name', 'Name of Nutri-Smart Village', 'Season', 'Activity', 'Category of crop', and 'Action'. The table is currently empty, displaying 'No data available in table'. A search bar is located at the top right of the table area. At the bottom of the table, it says 'Showing 0 to 0 of 0 entries' and has 'Previous' and 'Next' navigation buttons. The footer of the page shows '2024 © Atari AMS.'

On Clicking 'Biofortified crops used in Nutri-Smart village', the admin will be able to view a table with the details of Biofortified crops used in Nutri-Smart village added by the admin

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of Biofortified crops used in Nutri-Smart village.

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the page would be filtered out accordingly as per the year selected.

On Clicking 'Add Details' button, the admin will be able to enter the details, on submitting same will be reflected in the table

Soil Health Card prepared and distributed

The screenshot shows the 'View Soil Health Card' table. The left sidebar is identical to the previous screenshot. The main area has a title bar with a hamburger menu, a KVK logo, and an '+ Add Details' button. Below the title bar is a search bar and a table with the following data:

S.No.	KVK	No. of soil samples collected	No. of samples analysed	SHC issued	No. of farmers benefitted	Action
1	KVK Patna	400	300	200	64	Add

Below the table, it says 'Showing 1 to 1 of 1 entries'. At the bottom right of the table area are 'Previous', '1', and 'Next' buttons. A URL bar at the bottom left shows 'https://atari.eighteenpixels.in/view-of-'. A footer at the bottom right says '2024 © Atari AMS.'

On Clicking 'Soil Health Card prepared and distributed', the admin will be able to view a table with the details of Soil Health Card prepared and distributed added by the admin

On Clicking 'Add Details' button, the admin will be able to enter the details, on submitting same will be reflected in the table

Agri Drone

Introduction

The screenshot displays the 'View Agri-Drone' page in the Atari AMS system. The interface features a sidebar menu on the left with categories like 'Form Management' and 'Achievements'. The main content area is titled 'View Agri-Drone' and includes a 'Reporting Year' dropdown set to '2025', a 'Filter' button, and a 'Download Report' button. A table lists the drone details, with one entry for KVK Patna. The table columns are: S.No., Kvk Name, Year, Project implementing centre name, Company of Drone, Model of Drone, No. of Agri Drones Sanctioned, No. of Agri Drones Purchased, Amount sanctioned (Rs), and Action. The entry shows 43 sanctioned and 871 purchased drones for an amount of 264 Rs. A 'Search' bar and pagination controls are also present.

S.No.	Kvk Name	Year	Project implementing centre name	Company of Drone	Model of Drone	No. of Agri Drones Sanctioned	No. of Agri Drones Purchased	Amount sanctioned (Rs)	Action

The screenshot shows the 'Institutional Award received by KVK' form. The left sidebar contains the ATARI AMS logo and a menu with options: Dashboard, Form Management, Targets, Log History, Data Visualization, Notifications, and Reports. The main content area has a header with the KVK logo and a 'Back' button. The form fields include: Reporting Year (dropdown set to 2025), Name of the Award, Amount, Achievement, and Conferring Authority. A 'Save' button is at the bottom right.

Scientist

The screenshot shows the 'View Award' table. The left sidebar contains the ATARI AMS logo and a menu with options: KVK, Scientist, Farmer, Human Resources Development, Performance Indicators, Other Information, Miscellaneous Information, Digital Information, Swachhta Bharat Abhiyaan, Meetings, Targets, and Log History. The main content area has a header with the KVK logo and a '+ Add Awards' button. The table has columns: S.No., Kvk Name, Scientist, Award, Amount, Achievement, Conferring Authority, and Action. The table shows 2 entries. A 'Search' bar is at the top right of the table. A 'Download Excel Report' button is at the bottom left of the table. A pagination bar at the bottom right shows 'Previous', '1', and 'Next'.

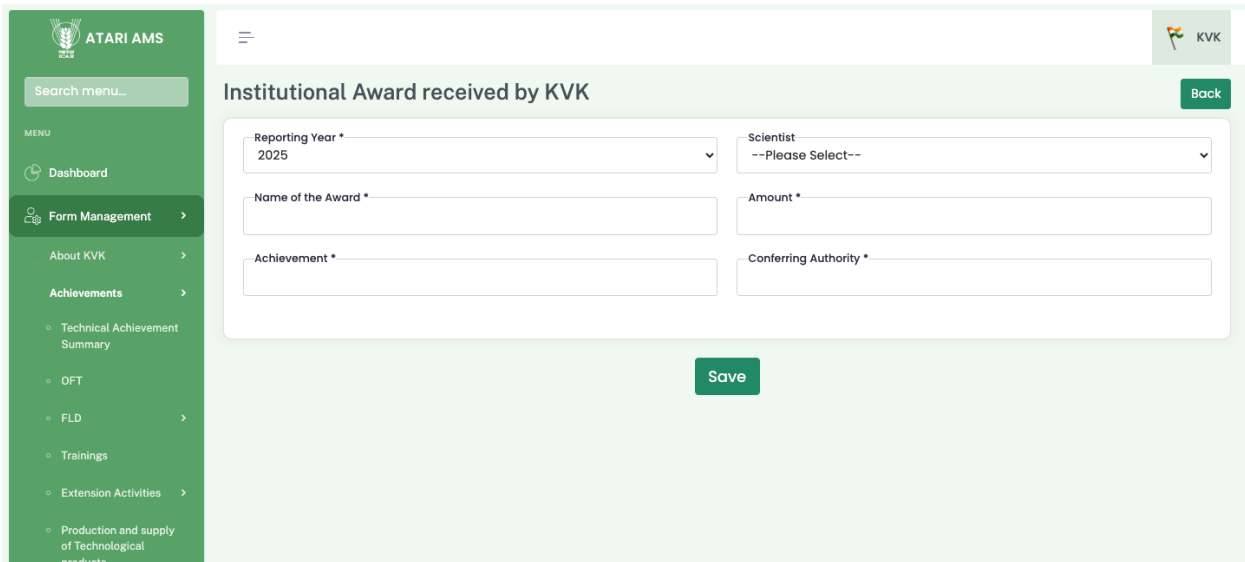

S.No.	Kvk Name	Scientist	Award	Amount	Achievement	Conferring Authority	Action
1	KVK Patna	Sri Jayant Prasad	Best Non-Teaching	10000	Certificate	ATARI, Patna	...
2	KVK Patna	Sri Rajeev Kumar	Best Performer under the Category Revolving Fund	10000	Best Performer	ATARI, Patna	...

On Clicking 'Scientist', the admin will be able to view a table with the details of Any Other programme organised by KVK added by the admin

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of Scientist.

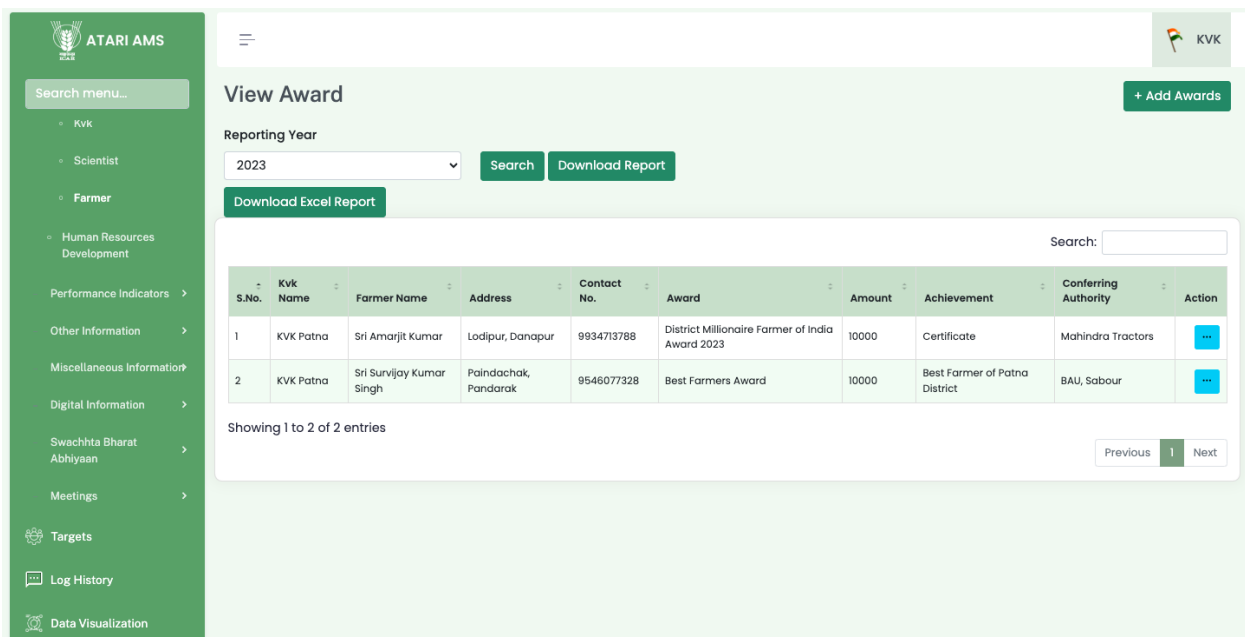

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the page would be filtered out accordingly as per the year selected.

On Clicking 'Add Details' button, the admin will be able to enter the details, on submitting same will be reflected in the table

The screenshot shows the 'Institutional Award received by KVK' form. The left sidebar contains the ATARI AMS logo and a menu with options like Dashboard, Form Management, About KVK, Achievements, Technical Achievement Summary, OFT, FLD, Trainings, Extension Activities, and Production and supply of Technological products. The main form area has a title bar with a hamburger menu, a search bar, and a KVK logo. Below the title bar, there's a 'Back' button. The form fields include: Reporting Year * (dropdown with 2025 selected), Scientist (dropdown with --Please Select-- selected), Name of the Award *, Amount *, Achievement *, and Conferring Authority *. A 'Save' button is at the bottom right.

Farmer

The screenshot shows the 'View Award' page. The left sidebar is similar to the previous one but includes 'Farmer' under the 'Form Management' section. The main area has a title bar with a hamburger menu, a search bar, and a KVK logo. Below the title bar, there's a '+ Add Awards' button. The main content area has a 'Reporting Year' dropdown (2023 selected) and buttons for 'Search', 'Download Report', and 'Download Excel Report'. Below this is a table with 10 columns: S.No., Kvk Name, Farmer Name, Address, Contact No., Award, Amount, Achievement, Conferring Authority, and Action. The table contains 2 entries. At the bottom, there's a 'Showing 1 to 2 of 2 entries' message and pagination controls (Previous, 1, Next).

S.No.	Kvk Name	Farmer Name	Address	Contact No.	Award	Amount	Achievement	Conferring Authority	Action
1	KVK Patna	Sri Amarjit Kumar	Lodipur, Danapur	9934713788	District Millionaire Farmer of India Award 2023	10000	Certificate	Mahindra Tractors	...
2	KVK Patna	Sri Survijay Kumar Singh	Paindachak, Pandarak	9546077328	Best Farmers Award	10000	Best Farmer of Patna District	BAU, Sabour	...

On Clicking 'Farmer', the admin will be able to view a table with the details of farmer added by the admin

By clicking on the button 'Download Report', the admin can download a pdf with a table with the details of Farmer.

The year filter would provide the option to the Admin User to select the year from the dropdown and the value on the page would be filtered out accordingly as per the year selected.

On Clicking 'Add Details' button, the admin will be able to enter the details, on submitting same will be reflected in the table

The screenshot displays the ATARI AMS web application interface. On the left is a green sidebar menu with the ATARI AMS logo and a search bar. The menu items include: Dashboard, Form Management (highlighted), About KVK, Achievements (with sub-items: Technical Achievement Summary, OFT, FLD, Trainings, Extension Activities, Production and supply of Technological products, Soil and Water Testing, and Projects). The main content area has a light green header with the title 'Institutional Award received by KVK' and a 'Back' button. Below the header is a form with the following fields: 'Reporting Year *' (a dropdown menu), 'Name of the Award *' (text input), 'Name of the Farmer *' (text input), 'Address *' (text input), 'Contact No. *' (text input), 'Amount *' (text input), 'Achievement *' (text input), and 'Conferring Authority *' (text input). A green 'Save' button is located at the bottom center of the form area.
